
If you enjoy reading, looking at pictures, or learning about different cultures, you may want to download this free ebook (in PDF format). Written in Indonesian by Dr. Nazlinda Abdullah, it is two hundred pages of classic Indonesian folklore and culture - lots of stories told through the eyes of children. Who knows? You might even start daydreaming in Bahasa Indonesia! The book is free for download (and print), but if you like what you see, please donate a small amount to keep our projects going. If not for anything else than to say thanks! Link: <http://www.alima-multimedia.com/risalah/downloads/Risalah-Buku.pdf>
